This farmer gave 600 homes cheap electricity that the power company couldn't

At first, he was mocked for being "crazy". But now, even the national electric company wants to buy his DIY hydro-power ...

[READ MORE](#)

Highest Blessings

- At first, he was mocked for being “crazy”. But now, even the national electric company wants to buy his **DIY hydro-power operation** - and it all began with a dream to give his remote Indonesian village a better life.
- Read more at <https://www.channelnewsasia.com/news/asiapacific/farmer-hydro-power-electricity-watermill-indonesia-andungbiru-9924304>

Highest Blessings

- Indeed, community institutions like mosques, clinics, and schools get free electricity from Rasid.
- He explained: “I really want the **education standards** among us to improve, so that the new generation can **upgrade** themselves and **move forward.**”
- Read more at <https://www.channelnewsasia.com/news/asiapacific/farmer-hydro-power-electricity-watermill-indonesia-andungbiru-9924304>

- **upgrade** (v.) to improve the quality or usefulness of something, such as a machine or a computer program, or give a person a more important job or state that their job is more important than it was in the past
 - How much will it cost me to upgrade my computer?
-

Highest Blessings

- And if people couldn't afford to pay cash, Rasid allowed - and still allows - **payment in kind**. “You can pay with fruits and coffee, as long as it has value,” he said. “Chickens or eggs, also can.”
- Read more at <https://www.channelnewsasia.com/news/asiapacific/farmer-hydro-power-electricity-watermill-indonesia-andungbiru-9924304>

- It is especially important to him that children in Andungbiru get to realise their full **potential**, and not have to struggle the way he did.
- “I want to create labs for the students from primary to high schools. They can learn there for free. Hopefully, the kids will be **smart** because of **education**.”
